

AMENDMENTS TO THE SPECIFICATION

Please amend paragraph [0039] of the published application as follows:

The digital video processing method is programmable by a computer. Codes and code segments constituting a computer program can be easily derived by a computer programmer in the art. Also, the program is stored in computer readable media and is read and executed by the computer, thereby embodying the digital video processing method. The media include magnetic recording media, optical recording media, ~~carrier wave media~~, and the like.

Please amend paragraph [0056] of the published application as follows:

Also, the digital video searching method is programmable by a computer program. Codes and code segments constituting a computer program can be easily derived by a computer programmer in the art. Also, the program is stored in computer readable media and is readable and executable by the computer, thereby embodying the digital video searching method. The media include magnetic recording media, optical recording media, ~~carrier wave media~~, and the like.
